## From Father McCabe

Dear Family in Christ,

In today's Gospel the ten lepers were ostracized from society because of their contagious disease. But they were able to raise their voice to call out to Jesus, and by following his command they were healed. One returned to worship and thank Jesus who said to him, "Stand up and go, your faith has saved you." In faith we need to stand up to be the voice of the most vulnerable in our society, especially the preborn babies. Archbishop Hebda leads the way with the letter he wrote shortly after the majority of Supreme Court Justices ruled that our United States Constitution does not give the right to abort preborn babies. The citizens of each state now have to take up that debate. Unfortunately in 1995, our Minnesota Supreme Court ruled in favor for abortion seeing it as a "privacy right," (which was the errant basis at the Federal level) and then also ruled that MN taxpayers have to pay for it. This of course ignores God's Fifth Commandment, "Thou shall not kill," as well as our founding document, the *Declaration of Independence*, which states correctly that God is the giver of "unalienable rights of life, liberty and the pursuit of happiness," in that order.

From Archbishop Bernard A. Hebda:

*The Supreme Court's decision to allow states to determine abortion laws fills my heart with a combination of sadness and gratitude. In 2022 - with all of our scientific advancements that prove beyond any doubt that the CHILD inside a mother's womb is human - it troubles me that in the moment of extreme vulnerability for both the woman and the baby that the violence of abortion is even discussed and debated as a good. How did our hearts become so hardened?*

*I am saddened that some pregnant women feel their only option to a happy future involves ending their baby's life. I am saddened that there are so many people who promote abortion as the only "choice." I am saddened that abortion facilities are primarily located in areas where people of color live and those women - and their babies - are targeted by an industry that profits from death. Most of all, I am saddened that since the 1973 Supreme Court decision to legalize abortion in our country, the lives of more than 60,000,000 of our most innocent and vulnerable sisters and brothers have been ended in the false understanding of "freedom."*

*It would be easy to dwell in sadness and despair, particularly considering that abortion continues to be legal in Minnesota and many of our political leaders have shamefully vowed to increase access to ending the lives of the most vulnerable. But I am so grateful for the majority of Americans - especially our young people - who trust the science and know that we need to love and protect the mother and the baby she carries beneath her heart. That is why I am grateful.*

*For 50 years, the pro-life movement has stood in the breach, speaking up for the babies who have no voice; for the despairing parents, the moms and dads who thought they had no choice. Our dedicated faithful have prayed daily, been assaulted verbally and physically, been threatened and yet have stood fast for life. They have opened their hearts, homes and wallets to care for pregnant and new moms, the dads and their*

*babies, and their extended families. Those who believe in the dignity of all life have opened centers where new parents can get counseling to deal with past trauma, learn parenting and career skills, and have their daily needs met. Millions of diapers, cans of formula, clothes and baby strollers, have been donated to meet the basic needs of young families. I wish that more pregnant women knew how this community is ready to generously give of their time to mentor single moms, babysit so parents can go to work or other appointments, and have welcomed these beautiful moms and their children into their homes to journey with them so they would not be alone. It is hard work. These generous women and men are the hands, feet and heart of Jesus. They weep with moms and their children when things are difficult - and they can be incredibly difficult - and they celebrate the victories, big and small. You don't see them on the news or in social media. They're quietly and steadily loving those who too often don't feel they deserve it. That's why I'm grateful.*

*We don't need more abortion, more death. We need more love, more life! We need to support women and couples who find themselves in crisis pregnancies and don't know where to turn for love and support. As a society, we need to work to fund their basic needs of food, shelter and health care. We need to advocate for quality education for all children and for fair and just wages for parents to support their families. We need to work to make sure that these vulnerable moms are able to deliver their babies and raise them with dignity. We need to give of ourselves - more than our money - to mentor them and journey with them through the wonderful, difficult, joyous messiness of parenthood. Women make abortion decisions when they're isolated and afraid. We need to be the light in their world. It is only our love and accompaniment that will make abortion unthinkable.*

*In closing, I implore all women and men of good will to join together in prayer and continue working for the end of legal abortion in Minnesota and in the United States. Our elected officials need to hear that we care about moms, dads, babies and families, and that together, we will support them.*

*Mary Mother of God, pray for us and for the protection of all life, from the moment of conception to natural death.*

*Sincerely in Christ,*

*Archbishop Bernard Hebda*

**Note of Thanks:** Thank you to everyone that participated in the St. Mary CCW scholarship auction this year! There were many great items to bid on and so many people who stayed to purchase those items. Thanks to John for being our stand-in auctioneer. We were able to deposit \$865 into the scholarship account and have another \$75 coming in yet. The support from everyone to help us continue to give our graduating seniors the scholarships is greatly appreciated.

ill is located at W4946 Round Hill Road, Arkansas, WI. For more information call 715-672-8453 or access [www.roundhillinc.com](http://www.roundhillinc.com)

**Special Disaster Emergency Collection – October 15/16:** As you are fully aware, the news of the devastation from Hurricane Ian, after Hurricane Fiona, has been horrific with loss of life and property, from the Caribbean to Puerto Rico through Florida. Archbishop Hebda has asked all archdiocesan parishes to join with U.S. Catholics to take up an emergency collection on or near the weekend of October 8/9 for those suffering from these hurricanes. All funds from this appeal will go to the Bishop's Emergency Disaster Fund to support efforts of Catholic Charities USA and Catholic Relief Services, the official relief agencies of the U.S. Catholic Church who are already on the ground working to provide humanitarian aid. It will also support the pastoral and social needs of the Church as it reaches out to the displaced and most affected by this disaster. Please open your heart and give what you can. Checks should be made payable to "Holy Trinity" and indicate "Hurricane Disaster" in the memo and place your donation in a separate envelope and clearly mark it "Hurricane Relief." Thank you for your generosity.

**All-Saint's Day celebration at Holy Trinity:** The All Saints Day celebration will be held on Saturday, October 29 from 9:30-1:00 at Holy Trinity. Several exciting events are planned for the whole family. More information in the bulletin next week.

# Welcome, Maria Schultz!

In early spring, Maria Schultz joined our parish and I invited her to think about volunteering. She said she was interested and I asked her about her experience. I was happy to find out that she has a Master of Theological Studies Degree from the University of Dallas, has been a Parish Coordinator, Director of Faith Formation, and has been a parish business administrator for about 10 years.

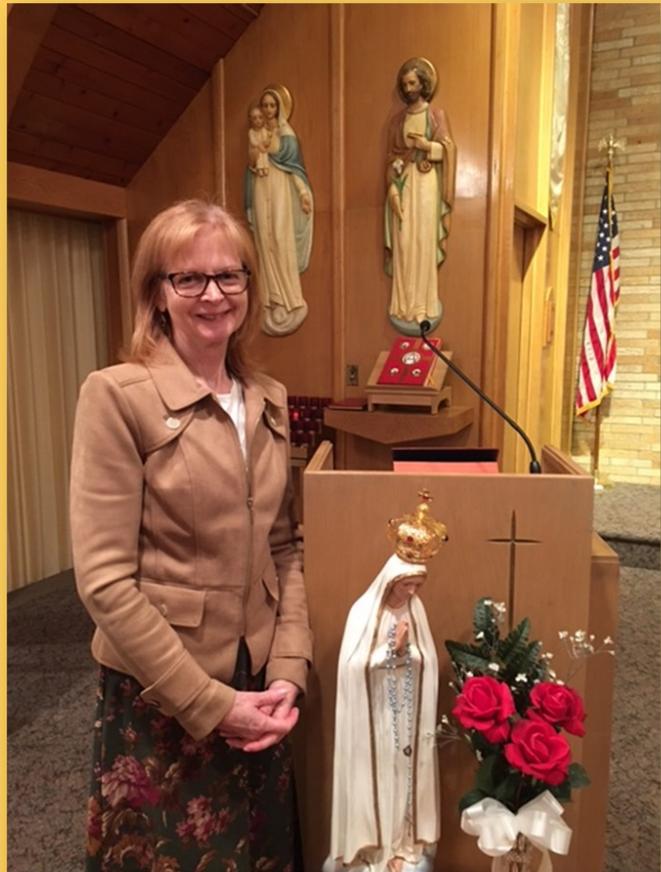

I had been praying for someone to voluntarily help me up to 10 hours a week in Youth and Family Ministry and Faith Formation, and God answered my prayer!

Maria did a wonderful job, but when Sara McNamara resigned her position I asked Maria to consider stepping in to the Administrative Assistant position. I was very happy she agreed and now she is working with Sara in this time of transition.

Please welcome her, and her husband Lee, as they journey with us to a brighter future.

Peace in Christ,

Fr. Thomas McCabe

When Father McCabe offered me the position of Administrative Assistant recently it was with heartfelt gratitude and excitement that I accepted. What attracted me about working for Father is his commitment to prayer for his parishioners on their way to their eternal goal of Heaven and his love for Mary. My motto has been to strive to bring souls to Christ through devotion to our Blessed Mother. Through your prayers I hope to faithfully serve the Holy Trinity parish family in my new role. My husband Lee and I look forward to getting to know you as we pray and journey together. With Mary and Saint Joseph to Jesus, Maria Schultz
